COMMERCIAL RIGHTS / ADVERTISING

The advertising (cars and clothes) must respect the RACB Sport regulations.

Any advertising and promotional action or of public relations must be the subject of a written prior agreement from the Organising Committee.

All the places allocated in the paddock are only of sporting vocation, to the exclusion of the organisation of public relations, sponsors lunches, guests' reception, hospitality units, etc.

Any infraction of this rule leads to a fine of 125€ per m².

Only a dispensation of the Organising Committee can be taken into consideration.

Any aerial advertising, any advertising or promotional action taking place in the air space located above the circuit perimeter, is also strictly forbidden without prior agreement of the Organising Committee and is, in any case, subject to express authorisation of the concerned Local Authorities and the Aeronautics General Direction.

Any pictures picking up of the race in and/or outside the participating cars are subjected to a prior agreement from the Organiser. Just as, all the pictures picked up and/or produced on the event are and will remain property of the Organiser, except prior agreement from this one. The pictures broadcasting, transmission, copy on internet is forbidden, except prior agreement from the Organiser.

All TV footage, photographs and similar taken by journalists, photographs, cameramen etc. will be the exclusive property of the race organiser/promoter, regardless of their originators.

Race organiser/promoter and its institutional sponsors reserve the right to use the names, portraits (photographic and TV) and the results of the drivers participating in the meeting, both in Belgium and abroad, for promotional or advertising purposes, without notice and without payment.

Where personal data relating to a data subject are collected from the competitor, the Royal Automobile Club de Spa hereby informs the data subject of the following:

Racing Festival® is releving of Category B_T events: defined according to the $L_{A,max}(15m)$ of the vehicles in motion which means: at least 1 vehicle whose max L_A (15m) is below or equal to 110 dB(A). Each series may impose below limitations & must be observed.

L_{A,max}(**15m**): Maximum individual sound level of vehicles circulating on the track, measured at 15 metres from the middle of the track. Measurements are taken in LAeq,1s.

The noise measurement is taken in dynamic mode, i.e. at the edge of the track of the circuit, while the automobiles pass by, it is to be performed according to the procedures set out in the single permit of 16 November 2009. The sound meter may be moved by the Management, and there may be several sound meters.

If, during the dynamic control referred to, the automobile fails three consecutive times to respect the maximum noise levels not to be exceeded referred to, the Director(s) of the race referred to shall disqualify the automobile from free or official practices or from the race(s).

COMPETITIONS NUMBERS

Front numbers must be affixed on the right-hand side of the car when sitting in the car, as the timekeepers' room is inside the circuit. The timekeepers will not take the time of the cars having not correctly affixed their numbers. Entrants' own plastic removable numbers must be used, and the sole responsibility of the entrant will intervene for them to remain visible during the practices and the race. Competition numbers must be in accordance with FIA regulations.
