**Un Racing Festival plus
éclectique que jamais...**

**Een Racing Festival met
heel wat verscheidenheid...**

Comptant parmi les meetings traditionnels du début d'automne sur le Circuit de Spa-Francorchamps, le Racing Festival organisé par le Royal Automobile Club de Spa s'annonce les vendredi 14, samedi 15 et dimanche 16 octobre, avec un cocktail d'épreuves comme de coutume varié à souhait.

Comme le veut la tradition, le Racing Festival 2022 proposera en effet un joyeux mix de compétitions de types "sprint" et "semi-endurance", jonglant avec les prototypes, les GT et les voitures de tourisme. Bref, un peu de tout pour satisfaire le plus grand nombre!

A l'affiche de l'ultime événement circuit de l'année organisé par le R.A.C. Spa, on retrouve bien sûr les différentes compétitions signées V-Max Racing Management, en l'occurrence de Supercar Challenge, qui partagera la piste avec le Funyo Endurance, la BMW M2 Cup Belux, la Ford Fiesta Sprint Cup et la Mazda MX-5 Cup.

Les inconditionnels de courses en pelotons très compacts seront ravis d'apprendre que deux compétitions différentes de Caterham figurent au programme, avec le Seven Championship UK et le 270R & 310R Championship! Quant à la Speed Euroseries, elle constituera la nouveauté majeure de cette édition, proposant des sprints pour des protos spectaculaires à souhait.

C'est donc un Racing Festival aux multiples saveurs qui vous attend les vendredi 14, samedi 15 et dimanche 16 octobre. See you in Spa!

Pierre Delettire
Royal Automobile Club de Spa

Als een van de traditionele herfstmeetings op het Circuit Spa-Francorchamps zal het Racing Festival, georganiseerd door de Royal Automobile Club de Spa, op vrijdag 14, zaterdag 15 en zondag 16 oktober plaatsvinden en dat met een zeer uiteenlopende reeks competities en series.

Het Racing Festival 2022 biedt traditiegetrouw een mix van sprint- en korte uithoudingswedstrijden, voor zowel prototypes, GT's als toerwagens. Kortom, een aanbod waarin iedereen zijn gading vindt!

Het laatste circuitevenement van het jaar dat door de R.A.C. Spa wordt georganiseerd, telt uiteraard de verschillende wedstrijden van V-Max Racing Management, met name de Supercar Challenge, waarvan de deelnemers het circuit met de Funyo Endurance zullen delen, de Prototype Challenge, de BMW M2 Cup Belux, de Ford Fiesta Sprint Cup en de Mazda MX-5 Cup.

Fans van sprintraces zullen blij zijn met de twee verschillende Caterham-wedstrijden op het programma van de meeting, met name het Seven Championship UK en het 270R & 310R Championship! De Speed Euroseries wordt het belangrijkste nieuwe onderdeel van het Racing Festival 2022, met sprints voor spectaculaire prototypes.

Op vrijdag 14, zaterdag 15 en zondag 16 oktober kan u een Racing Festival ontdekken met heel wat verscheidenheid. Welkom in Spa!
